Request for Pro Bono Legal Assistance

PLEASE READ BEFORE COMPLETING THIS FORM:

The matter for which pro bono legal assistance is requested must arise out of a human trafficking situation. Legal assistance through the LEGAL FORUM volunteer pro bono attorney program is not available for matters that do not pertain to the trafficking, even if the person for whom legal assistance is sought is or has been a victim of human trafficking.

The attorneys who participate in the LEGAL FORUM pro bono attorney program are volunteers. Submission of a request for pro bono legal assistance does not guarantee that a pro bono attorney will be available to take the case in a timely manner or at all.

The LEGAL FORUM's volunteer pro bono attorney program is not a lawyer referral service for purposes of California Business and Professions Code section 6155. The LEGAL FORUM makes no representation as to the fitness or ability of a volunteer pro bono attorney to represent your client in this matter. The LEGAL FORUM does not carry errors and omissions insurance for LEGAL FORUM pro bono attorneys.
